- Non-toxic

RECOMMENDED USE:

- All types of residential and commercial laminate, ceramic tile, vinyl, sealed marble, and sealed granite floors.

DIRECTIONS FOR USE

BEFORE USING, READ ALL DIRECTIONS AND MATERIAL SAFETY DATA SHEET #11024 FOR THIS PRODUCT.

For Regular Maintenance of Hard Surface Floors:

1. Always vacuum or sweep before cleaning your floor to pick up loose dirt.
2. Lightly mist a 4'x6' area of your floor, or the Bona® Mop cover or pad, with cleaner.
3. Using the Bona® MicroPlus™ mop or a clean cloth, wipe using a back and forth motion. Finish one area before moving on to the next. For stubborn spots, rubber heel marks or sticky spills, spray cleaner directly on these areas and wipe clean with a clean cloth or your Bona® MicroPlus™ mop. When mop covers, pads or cloths become soiled, replace with clean ones. Use as needed depending on household traffic.

NOTE: Food and other spills should always be cleaned in a timely manner (at least daily) using Bona® Swedish Formula® Hard Surface Cleaner.

Hard Surface Cleaner is for use on laminate floors, ceramic tile with sealed grout lines, vinyl flooring, sealed marble and sealed granite. **USE OF THIS PRODUCT ON UNSEALED MARBLE, GRANITE OR GROUT LINES MAY CAUSE STAINING.**
